

May 30<sup>th</sup>, 2018,

Dear Mr. Rhéal Amyot,

I congratulate you, as President of Fierste Simcoe Pride and the organization, for your commitment to serving, advocating for, and protecting the rights of the gender and sexually diverse community in Simcoe County and surrounding area. This is an important resource for those residents living in a rural area such as Simcoe County.

As indicated, anti-bullying, inclusion, support services, and health promotion and prevention are significant issues of importance to the gender and sexually diverse population. With your experience and insight into these issues, I look forward to working with your organization to respect quality of life for all constituents of Simcoe North.

I am proud to part of a modern, diverse and inclusive party that respects all people regardless of the colour of your skin or who you love. I, alongside The Progressive Conservative Party of Ontario, believe that everybody should have equal human rights and it is my intention to uphold that principle of respect for all people.

*Sincerely,*
